2026 HIGH SCHOOL GOLF *P.R.E.P* PROGRAM

Player Readiness,

Empowering Performance

Purpose of the Program:

To have fun, learning and competing in the game of golf, preparing Green Bay/ Appleton area junior golfers for high school golf! Providing instruction, tips and insight into high school play, including course management, scoring, mental game thoughts while competing, rules of golf and etiquette before, during, and after play. Includes season long “matches” competing against other junior teams. **Limited to the first 20 junior golfers**, we will form teams to play 9-hole matches during the season, similar to a high school season. Teams will be determined by instructors. The top two teams will compete at the end of the season for “state” honors!

Eligibility:

The program is open to all junior golfers entering 7th, 8th or 9th grade in fall of 2026. Junior golfers must be able to play 9 holes with no concerns and will be keeping score for another competitor and themselves during a match. Juniors will be trained and shown how to do this during practices. We will place juniors on teams, and they will receive instruction and insight into what they can experience at the high school level. If you are considering high school golf in your future...this is the junior golf program for you!

Instructors:

The Junior Golf staff consists of PGA Professionals, apprentices & accomplished collegiate golfers.

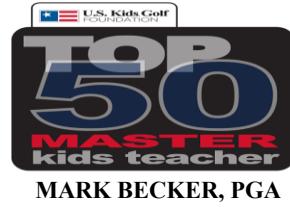

Cost of the Program: \$350.00; \$300.00 with current 2026 Irish Waters junior golf membership

Entry Fee includes the following:

- Instruction before and during play on the course
- Practice balls during instruction and before “matches”
- Green fees during practice days and “matches” – 12 play days of 9 holes throughout the season, plus a minimum of 4 practices!
- Customized Junior Team Hat and other awards
- Discounted play opportunities for parents & kids! (Parents and kids pay just \$30 total, after 6pm every night – includes cart!)
- Discounted Junior Season Pass opportunities for all participants – save \$50!
